Second Notification: Pinnacle CinéWave End of Production Announcement

On June 1, 2005, Pinnacle Systems announced the "End of Production" of the CinéWave family products including the following CinéWave components:

| Pinnacle Part # | Product Name |
|-----------------|--|
| 141103040 | CinéWave 4 RT |
| 141103050 | CinéWave Upgrade for FCP Owners w/o Analog BOB |
| 141104000 | CinéWave 4 Classic RT Software |
| 141600030 | CinéWave 4 RT Pro |
| 141101044 | CinéWave 4 Software Upgrade |
| 141104010 | CinéAcquire |

Pinnacle will continue to **accept orders on these products until August 31st, 2005. Production of these systems will continue until September 15, 2005. Orders will be processed on a "first come, first served" basis.**

Please be advised that **Pinnacle Systems will continue to provide customer support (both hardware and software support) on the CinéWave products until September 15th, 2006.** Pinnacle will also continue to sell support contracts, where available, on these products with an **expiry date not to go beyond September 15th, 2006.** If you have any questions regarding these products or support services, please contact your local Pinnacle sales representative.

Pinnacle is currently offering CinéWave customers attractively priced Liquid chrome HD crossgrade programs. Please note that Liquid chrome HD utilizes much of the core CinéWave hardware. For more information on these opportunities, please contact your [local Pinnacle sales representative](#).
