

End of Production Notification

End of Production Reminder

FXDeko II, Deko2200, ThunderLT, and Lightning 1000

Due to parts availability, Pinnacle Systems announced the "End of Production" of FXDeko II, Deko2200, ThunderLT, and Lightning 1000 products. Orders were accepted until November 15, 2004 and production of these systems ended on December 15, 2004. Certain upgrades and accessories will still be available, but no additional orders can be accepted for these systems.

While we are ending production of the products listed above, please remember that they have been replaced by our new products — Deko3000, Deko3000 HD, and ThunderMX.

Customer Support for EOP Products

Please be advised that Pinnacle Systems will continue to provide Customer Support on DVEXCEL, FXDeko II, ThunderLT, and Lightning systems until December 15, 2009. Pinnacle Systems will continue to provide Customer Support for Liquid chrome turnkey until December 15, 2006.

You can purchase Support Contracts (where available) on DVEXCEL, FXDeko II, Deko2200, ThunderLT, and Lightning 1000 until December 15, 2009. For Liquid chrome turnkey products, you can purchase a Support Contract (where available) until December 15, 2006. If you have any questions regarding these products or support services, please contact your local Pinnacle sales representative.
